WAL*MART

ETHICAL STANDARDS

Audit :- 05/31/2009 "Yellow"

*****Please read carefully as some of the following information has been updated*****

RE: Factory RL ID:28063419 / Factory Name :TUBA TEXTILE MILLS LTD
 Dear Supplier
 We would like to thank you for your cooperation during our Ethical Standards audit on date for 28063419 - TUBA TEXTILE MILLS LTD in BANGLADESH.
 The above stated factory has received a "Yellow" assessment. The factory had violations which were deemed to be medium risk.
 <<Bangladesh_174499.doc>>
Please work closely with your factory to remedy these violations to prevent future recurrence.
 According to the ES program, the following conditions apply to this factory:

- Orders can be placed
- Placement of orders in this factory for Wal-Mart production is at the discretion of Wal-Mart Sourcing / Merchants.
- Orders can be shipped
- Follow-up audit will be conducted within **1 Year** from audit date listed above.
- The completed action plan by the factory management must be presented to the auditor during the follow-up audit.
- **Please note that you must submit a Factory Inactivation Request online via Retail Link if you decide not to use this factory in order to avoid a follow-up audit by Wal-Mart and the associated fees.**

NOTE: You will no longer need to submit your audit requests by e-mail. All requests will be completed online. Further, you will not request follow-up or Annual Audits. Follow-up and Annual audits will be automatically scheduled unless you submit a request for inactivation. You are only required to submit a request for "Initial Audit" and "New factory". Please go to Retail Link to submit necessary request by following this path: Explore the site=>Factory Certification=>Supplier Queue. It is the responsibility of the supplier / factory management to arrange an audit through Ethical Standards Team.
 Thank you for your cooperation and support for Wal-Mart's Ethical Standards Program.

- Please note that you must submit a Factory Inactivation Request online via Retail Link if you decide not to use this factory in order to avoid a follow-up audit by Wal-Mart and the associated fees.

CERTIFICATION PROGRAM

February 4, 2009

Delowar Hossain
Managing Director
Tuba Garments Ltd.
Plot No. 1682, Ananda Nagar Badda
287 Long Xi Road, 1/F, 2/F
Dhaka
Bangladesh 1212

Dear Delowar Hossain:

On behalf of the Worldwide Responsible Apparel Production's Certification Board, it is our distinct pleasure to award **Tuba Garments Ltd.** with the WRAP Certificate of Compliance. The WRAP certification is valid for a one-year period contingent upon the facility maintaining full compliance with the global WRAP Production Principles. This Certification expires a year from the date on this letter. The facility's WRAP number is: # 10822. The Certificate will be issued directly to the facility.

As per the rules of the WRAP Certification Program, the facility may be subject to an unannounced monitoring visit by an accredited WRAP Independent Monitor during the period of certification. If your facility is selected for an unannounced visit, you must provide full access and cooperation with the WRAP selected monitor. The selection of the accredited monitor and date of the follow-up visit is exclusively authorized by the WRAP Certification Board.

You may now communicate your WRAP Certification as you determine in your best interest. We congratulate your facility for its commitment and leadership in socially responsible global manufacturing practices.

Sincerely,

Steven A. Jesseph
Vice Chairman, President & CEO
